## Explore the REGION

**BARRABA**  
Barraba is an excellent area for bird watching and is notable habitat for the rare Regent Honeyeater. Discover Horton Falls, where the Horton River drops 83m into a deep gorge, has spectacular scenery and picnic spots, or be brave and descend the steep, winding trail into the gorge. Near Barraba is the Glen Riddle Recreation Reserve, at the junction of the Split Rock Dam reservoir and the Manilla River. A wonderful spot for bush camping, fishing and boating. Go ahead, spoil yourself!

**BENDEMEER**  
When travelling north from Tamworth, the village of Bendemeer is found just off the highway above the Moonbi Ranges, and along the Macdonald River. This delightful old village has many points of difference, including a range of historic buildings, and a gallery with a private collection of rocks, gems and minerals collected from around Australia. North of Bendemeer is Banalasta Visitors Centre; the high altitude vineyard, eucalyptus and lavender oil plantation is a must see on your journey.

**MANILLA**  
Situated 45kms from Tamworth, Manilla offers many activities including sporting and social clubs, adventure sports such as paragliding, hang gliding and sky sailing. Fishing and water sports await you on nearby dams and rivers and the abundant bird life makes this town a sought after destination. Escape in the Atlunga State Forest with a picnic or barbeque. Walking trails are provided and overnight camping is permitted. The district is also famous for its local honey and Meade beverage. The manufacturing of meade dates back to 2100BC.

**NUNDLE**  
Visit Nundle and its hills of gold and disappear into the historic Nundle Woollen Mill, kick back with a hot cuppa in the Jenkins Street Guesthouse, a cold beer at the Peel Inn or find patchwork paradise at the Cottage on the Hill. A hop, skip and a jump away will have you in the villages of Bowling Alley Point, Woolomin and Hanging Rock, all famous for their gold mining days and all waiting for you to strike it lucky. Swimming, sailing and fishing can be found at the nearby Chaffey Dam along with bush walking and forest drives. There are also many popular well stocked trout fishing spots in the numerous streams around the area.

## Welcome to TAMWORTH

## Dining Out GUIDE

There are more than 30 restaurants in Tamworth city alone, as well as many other eateries in the surrounding satellite towns. From five-star, award winning fine-dining to outdoor cafes to steakhouses (to name a few), there is more than enough places to satisfy any hunger. A number of motels and hotels also feature restaurants and allow visitors and/or patrons to dine. In addition, there are three registered clubs and many fast food outlets as well as most of the major supermarket chains.
